Gates open at 9:00 a.m. EST on Saturday.

Once you enter the parking area and park your vehicle, go to the State Theater (main stage, middle of map) and stop by the registration trailer. One registration per person no matter how many cars you bring.

### Is there a rain location/date?

No. The event will happen rain or shine.

### Are pets allowed?

Dogs on leashes are allowed. HOWEVER, we highly discourage bringing pets as this event is held on pavement in July and is usually very HOT! The large crowds and hot grounds are not a good idea for your 4 legged friends, so please think about their wellbeing before you bring them.

### Where is public parking?

You can view the map [here](#).

### If I win an hourly giveaway, am I qualified to win the larger giveaways at the end of the day?

Yes. You can only win one hourly giveaway, however, your name will be resubmitted for the larger drawing(s). You must be present to win all prizes.

### Are there awards or trophies for individual vehicles?

There will be a car show on Friday night at Freeman Lake Park. However, this show is not reflective on the cruise that will take place on Saturday. The fee for Friday (if you choose to be judged) is \$20 per car. There will be awards given out at that time. Saturday, there will be no registration fees, no trophies, or prizes given.

### Can I play my music?

There will be event speakers throughout the entire event area. Please refrain from playing your own music. You don't want to miss the important announcements made throughout the day! You could win one of our many, many giveaways!

### Can I burnout?

No. Due to the congestion and safety of others, burnout and hot rodding is not permitted.

### Can I bring my own golf cart or bicycle?

No. No personal golf carts, bicycles, scooters (this does not include powered wheelchairs or scooters used for disabled persons), or skateboards are allowed in the event area.

### Can I bring a pop-up tent?

Yes, but please be mindful where you place it. Please do not place in front of an open business doorway or window so all of our open downtown businesses are not affected by being covered up. Also, you cannot place in the roads prior to them closing.
